

### Pikes Peak Christian School iPad Insurance Plan

In the PPCS 1:1 initiative for high school, PPCS grades 9-12 students and families are responsible for damaged, stolen, or lost devices. To offset possible costs, the school is providing families with **optional** iPad insurance to cover repair or replacement costs that may occur.

**This is an option and not a mandatory fee that families pay in order to receive an iPad. However, all families must accept or decline the insurance plan.**

The cost of insuring an iPad is \$30 per year. This insurance can be renewed each year for returning students to provide four years of coverage for a total of \$120. Applecare+, Apple’s high-end insurance covers a new device for 2 years at a cost of \$99. Our insurance is more affordable and provides students and parents more value for their money while allowing the school flexibility to insure devices while limiting the incidents of loss or damage.

Your PPCS iPad insurance carries a **\$50 deductible per incident** (two incidents are covered) and a **\$125 deductible for per additional incident**, subject to the judgment of the Tech Director who may waive costs depending on circumstances. **Accidental damage, fire, flood, or natural disaster, and lost/stolen iPads are covered under this policy. Intentional damage is not covered nor is damage to the iPad charger.**

If a family chooses not to insure their student’s iPad, they accept full financial responsibility for damaged, stolen or lost devices. Examples of some costs: screen replacement - \$125, lost/stolen - \$300.

In the event of damage, theft, or loss of a device, the student should report the incident as soon as possible to the Principal or Tech Director. To file a claim, both the parent and student must be present. The damaged iPad must be presented (or police report if theft occurred) to the Principal or Tech Director. The parent and student will be required to complete a claim form and pay the deductible. If an iPad is lost or stolen and the deductible is paid, it will be returned if the iPad is recovered and in good condition.

I choose to insure my student’s iPad using the PPCS iPad Insurance Plan. *I understand that a fee of \$30 will be added to my student’s account.*
