Elementary Supply List**

There are certain items listed that the teachers would like a particular brand of. They are in bold on the list. If you have any questions, please contact Mrs. Nordberg.

All elementary students in 1st - 5th grades will need a Bible to use during the year. **The PTO has purchased Bibles for each of the classrooms.** You have the option of purchasing one of these at a reduced price or borrowing it for the year. If you purchase it your child will be able to highlight, make notes, etc. and have it throughout elementary. If you prefer to borrow one, they may not mark in them and will borrow a different one the following year. There will be a table at our Welcome Back Night if you would like to purchase one.

Those who plan to participate in band will need to purchase the 5th Grade Band – Essential Elements 2000 for the instrument they will be playing.

Dress Code

2025-2026

Purpose

PPCS believes modesty is an important concept and virtue for every student to understand and practice. Current culture promotes versions of self-esteem that are self-centered, encouraging the flaunting physical attributes, wealth, style, or personality differences even to extremes. Whereas Biblical modesty is an attitude of Christ-centered value and humility with a thoughtfulness for others that is revealed in outward actions.

- At PPCS we believe this includes how one dresses (clothing, jewelry, hairstyle, body art, footwear, etc.).
Thus, the PPCS Dress Code and its enforcement serves to help students:
- Practice a God-centered esteem vs false secular versions of esteem and confidence
- Express their own uniqueness, interests, and style with thoughtfulness and care
- Understand mindfulness and respect of others in dress and appearance
- Understand practical, effective, and/or safe dress for different occasions, activities, and circumstances
- Preserve for the marriage relationship dress that may encourage physical/sexual attraction
- Proactively protect from embarrassing and/or unintended situations impacting physical privacy

PPCS understands and manages an age-appropriate application of our dress code in a school ranging from students of toddler ages to young adults.

Requirements and Expectations

The dress code applies at school and activities where the student is under school supervision. Students should show good judgment in choosing items of dress and hairstyles that do not call undue attention to the individual. Pikes Peak Christian School students should be clean, neat, well groomed, and not disheveled. Students, while voluntarily at school events and not under school supervision, should be mindful of the dress code as they continue to represent the school in such situations.

Any violation of the dress code is subject to disciplinary action and a request that the student change into more acceptable clothing. Students may be asked to leave class until their parent/guardian brings appropriate clothing. In situations where differences of opinion arise, the decision of the administration will be final.
